Name of Student _____ - _____ School Year

Parent/Guardian Name _____ Phone _____

The financial assistance that was provided by the Hawaii Conference during the previous school year required the student to maintain satisfactory scholastic, citizenship, and attendance during the school year. Additionally, parents were responsible for fulfilling their financial commitment to the school. Please attach the appropriate documentation to this application for each child in the family. Applications must be received on or before 4:30 p.m. on AUGUST 18, 2011.

→ Submit the final grading card of the last school year that indicates that the student received a “C” or “Satisfactory” scholastic average.

→ Submit a letter of recommendation from the school principal of the last school in attendance that indicates the student had satisfactory citizenship and attendance.

→ Submit a statement from the last school in attendance that indicates that the parent(s) satisfactorily fulfilled their financial commitment of the last application.

→ Submit a statement that describes what and how the student was involved in church and school service activities during the last school year.

→ Submit a statement from the student (age appropriate) that demonstrates how the student contributed financially their education during the last school year.

Parents, it would be appropriate to encourage your student to write letters of appreciation to the local school board, local church board, and the Hawaii Conference Board of Education, regarding financial assistance they have received.
